

REMARKS

Claims 1, 3-7 and 9-11 are pending in this application. By this Amendment, claims 1 and 7 are amended. The specification is also amended in the same manner as claims 1 and 7 with respect to formulas (1) and (2). Support for the amendment to the final two lines on page 12 of the specification is found in the first five lines on page 13 of the specification.

The courtesies extended to Applicant's representative by Examiner Zhong at the telephone interview held September 16, 2005, are appreciated. The reasons presented at the interview as warranting favorable action are incorporated into the remarks below and constitute the record of the interview.

Claims 1 and 7 are amended to address issues raised by Examiner Zhong during the interview. The specification is amended to provide support for the amendments to formulas (1) and (2) in claims 1 and 7. Examiner Zhong is thanked for indicating that no new matter is added by the amendment to the specification. Examiner Zhong is further thanked for indicating that the amendments to claims 1 and 7 overcome the rejections in the May 5, 2005 Office Action, and will lead to the allowance of the application.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1, 3-7 and 9-11 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
